Bird Seed Fundraiser

Wild Birds Unlimited for everything you need to feed your birds as well as gift items for the holidays, as well as other varieties of seed.

Seed Descriptions:

- **No Mess Blend LM**– A high-quality, no-waste mix without shells. Contains 65% medium sunflower chips, 15% diced/chopped/small peanut pieces, 10% hulled white millet. Will attract most winter feeder birds including nuthatches, woodpeckers, cardinals, juncos, white throat sparrows and titmice.
- **Deluxe Blend** – A combination of high-oil content seeds with shells. 63% black oil sunflower, 25% white millet, 10% safflower, 2% striped sunflower. attracts a large variety of birds.
- **Black Oil Sunflower** – A favorite of almost all seed-eating birds, your feathered friends will happily fill up on this high fat seed.
- **Shelled Sunflower** – Whole sunflower seed kernels. No shells, **no waste**. An excellent feed. Everyone loves this.
- **Safflower Seed** – The cardinal’s choice! Glossy white seeds are the **favorite food of cardinals**. Also eaten by chickadees, finches, and doves. Ignored by squirrels, starlings, and blackbirds. An excellent seed for year-round feeding.
- **Nyjer (Thistle) Seed** – Tiny black seeds for goldfinches and pine siskins. Nyjer must be placed in a special feeder with tiny holes. Nyjer is ignored by squirrels and starlings. Use your Nyjer feeder year-round.
- **Shelled Peanut Splits** – Peanuts are the best single source of protein and fat for your birds and a great addition to the choices you offer in your yard. Woodpeckers, nuthatches, blue jays, tufted titmice and chickadees love this!
- **Suet Cakes** – Each 11.75oz cake fits in a wire suet cage. High protein and fat content with no waste, no fillers and real fruit! Woodpeckers love suet and so do other birds!

Reminder - All orders due by Saturday, October 8, 2020. Thank you for your continued support!
