Join the Huntington-Oyster Bay Audubon Society today as we kick off our Little Naturalist Story Time and Craft Circles. Today we will read aloud from the book, "From Caterpillar to Butterfly". After story time, we will turn crafty and create caterpillars and butterflies to take home. While the glue dries on our crafts, we will venture outside to look for butterflies and have some fun while learning more about these wonderful creatures! For ages 3 to 6 and their parents. No unregistered siblings please.

Each participant will be provided with material for their craft. Hurry to sign up: group size limited to 20! Please call 516-695-0763 to register. Program presented by Stella Miller, Tesi Copa and Kelly Simmons. There is no charge for the program, however, there is an \$8 per car fee to enter the Park for those who do not have Empire passes.
