

**The Cold Spring Harbor Library &
Huntington Oyster Bay Audubon
Presents**

**The Wolves of
North America**
With special guest, Atka,
the Arctic grey wolf

**Saturday, June 14, 2014
2pm**

**Presented by the Wolf Conservation
Center**

We are excited to welcome the Wolf Conservation Center of South Salem, NY and their Arctic grey wolf, Atka. The program will include an awe-inspiring, up-close encounter with this important but misunderstood and much maligned predator. We will learn about the history of wolves in the United States, the critical role that wolves play in a healthy ecosystem and the efforts to save these magnificent creatures for future generations. Please join us today as we meet Atka and learn just how remarkable wolves really are!

Founded in 1999 the Wolf Conservation Center (WCC) in South Salem, NY promotes wolf conservation by teaching about wolves, their relationship to the environment and the human role in protecting their future. The WCC accomplishes this mission through onsite and offsite education programs. These programs emphasize wolf biology, the ecological benefits of wolves and other large predators, and the current status of wolf recovery in the United States. The WCC also participates in the Species Survival Plan (SSP) and Recovery Plan for the critically endangered Mexican gray wolf and the red wolf.

To help benefit the Wolf Program's recycling program, please bring any of the following items to this program : empty ink cartridges, toner cartridges, old cell phones, and small electronic gadgets, like laptops, iPods, GPS devices, & digital cameras.

Attendance is strictly limited. You MUST register in order to attend.

Please call Library: 631- 692 -6820 to add your name to the list

All meetings are free and open to the public!
Location: CSH Library: 95 Harbor Road (Rt 25A), Cold Spring Harbor
