March 2019 Program

Montauk to Manhattan: Nature Hotspots

Wednesday, March 13 at 7 PM

Cold Spring Harbor Library - 95 Shore Rd. Cold Spring Harbor

In this program, we will hear about some of the most beautiful and diverse natural hot spots from Montauk to Manhattan. Learn about the diverse wildlife and unique habitats you can access and explore for birding and for pleasure.

Don Riepe has been the Littoral Society's Jamaica Bay Program Director since 1985. In 2004 he assumed the role of the Jamaica Bay Guardian. With 25 years as a naturalist and manager of the National Park System's Jamaica Bay Wildlife Refuge, Don is knowledgeable about and a staunch defender of wildlife and habitat in the urban littoral zone. He has led the Society's efforts to coordinate the International Coastal Cleanup for the state of New York for more than 30 years, and has initiated the derelict boat removal program known as Jamaica Bay Clean Sweep. Don is an Advisory Council member for NYC Audubon. He holds a Master of Science in Natural Resource Management from the University of New Hampshire.

This event is free and open to the public
