

Huntington-Oyster Bay Audubon Society

Children's Program: After-School "Beaded Flint Corn" Virtual Art Class

**Monday, November 16
5:30 PM EST
Via Zoom**

Please join HOBAS for an after school kids' art class and learn how to make a piece of "Indian corn" out of pipe cleaners and beads. Space is limited! Please sign up as soon as possible. The craft is intended for children ages 6 and older, parental supervision recommended but not required.

How to participate:

This craft is intended for residents of Suffolk or Nassau county Long Island, as pick-up of craft kit is required. The craft kit includes: beads, chenille stems, a complimentary HOBAS sticker and an actual piece of Flint corn!

We have a suggested \$5 donation for this program. This donation includes the craft kit, interactive lesson and access to the class recording.

Please visit hobaudubon.org/meetings_events.asp for more information about this program and for pick-up instructions.
