

## Inside the Mind of a Whale

**Wednesday, November 10, 2021  
7 PM EST  
via Zoom**

Do dolphins have names? Do whales use tools? What do we know about the capacity of whales' brains? Join us for a fascinating talk by Nomi Dayan, Executive Director of the Cold Spring Harbor Whaling Museum about some of the most complex species on the planet. Marvel at the depth that sets whale behavior apart, including sophisticated memory skills, advanced societal structures, and unique dialects. Find out what researchers have uncovered about whales' thinking and their amazing behaviors in the wild.

**About Our Speaker:** Nomi Dayan has a Master's degree in Museum Education from Bank Street College. As Executive Director of the Cold Spring Harbor Whaling Museum, she uses her personal interests in the wonders of the world to drive her work at the museum, which she's been a part of since 2008.

**When:** Wednesday, November 10, 2021 07:00 PM Eastern Time (US and Canada)
